

She's a Weapon

Twisted Wheel

Reload,
Aim fire,
Keep at arms length she's a real live wire.
Hands up,
Stick em up,
Make a hickup and you're gunna get caught.

[Chorus]
She's a weapon!
Yeah
She's a weapon!
Yeah
She's a weapon!

Hostage,
Shot down,
Surrender to her crown.
Nowhere to run,
Nowhere to hide,
Sing your prayers it's time to die!

[Chorus]
She's a weapon!
Yeah
She's a weapon!
Yeah

Looks like there's a prisoner,
Wipeout, Stalemate, Clean plate,
On death row, nowhere to go,
Think it's time, exterminate,
She's a weapon.

[Chorus]
She's a weapon!
Yeah
She's a weapon!
Yeah
She's a weapon, a weapon, man she's a weapon!
She's a weapon!
