Corkscrew

Twiztid

How good is your love?
If it doesn't protect me
Keep me safe when I'm scared
Cold to the touch
Ice water in the veins
Where the blood's supposed to be

Over and over
Again and again
Ain't it a bitch when the fakes
Are telling you you're pretend
I'm over this
Out of that
Push me out
Take me back
I still don't know how to act
I been a victim of a vicious attack

I think I'm breaking down
Can somebody forgive me
Both knees on the ground
I just hope that they're listening

Feel like I'm goin out of my mind
Not sure how much more I can take
Feel like I'm goin out of my mind
Not sure how much more I can take
One thing is for sure
I'm in a really bad head space

I been a victim of a vicious attack
And the culprits are holed up
Inside of my head
With me

I think I'm breaking down

I just hope that they're listening
