

# I Shall Arrive

Twiztid

Long live Faddi Faddi Pumpkenbehnch  
Back from the realms of Hallows Eternal  
When the leaves turn and fall to lay a path for me I shall arrive  
This time bearing gifts  
I have brought with me a treasure of misfortune  
A player of passion and pain  
Through musical mayhem this haunted record player  
It will titillate and amaze  
These songs I lay before you  
Can be played to bring about its magic
