

let it flow

Twiztid

Light up the cigar and tell the fat lady to sing
Once again we raised the bar and I ain't talkin' Irish spring
We really make it hard for these other rappers to breathe
Like a boa constrictor with every mic that I squeeze
Bitch, please get up off yo god damn knees
Yes I'm rapping like the muthafuckin 1990's
I still sound better with every letter I type into this iPhone
Turn a crowd into a cyclone
Imma tad Pac, you're a tadpole
So get up out of my swamp you fuckin' assholes
I'm ridin' pass those people in my past, foes, hoes and trash b
ros
Who stole cash, fuck 'em all, they won't last

So let it flow, let it let it flow, let it let it flow
So let it flow, let it let it flow, let it let it flow
So let it flow, let it let it flow, let it let it flow
So let it flow, let it let it flow, let it let it flow
So let it flow

If you're a painter who need a painter to teach you to paint
You probably shouldn't be painting in the first place
Like a drug with the first taste make you feel you are the grea
test
Like a modern day Da Vinci, anything to be famous
Any work you do next project you got to excel it
Don't get ahead of reality let your listeners tell it
Comments can be a mutha fucka people trying to push your button
s
Like your life's another topic for a chatroom discussion
Mutha fuck 'em!

Chatty tacky itches
Thinking they can do what we do better with the quickness umm
You could never play this position
So go and hush your hole and take a listen
Man, we spittin' gift then
Takin' a shit on any the competition
Witness the Demented Duo as we be gettin' lifted

So let it flow, let it let it flow, let it let it flow
So let it flow, let it let it flow, let it let it flow
So let it flow

The Demented Duo, we be gettin' lifted
