

## role models

Twiztid

Donald Trump told us all that it's never too pushy  
To walk up to a woman and just grab her by the pussy  
Harvey Weinstein said that he's been doin' it for years  
Even got a slogan "Suck my dick for careers"  
Louie CK told us one time this is how you do it  
I tell em if they fuck me then I'll put em in my movies  
Here comes Kevin Spacey, he said he made a mistake  
Well, what you call a mistake, we just call it rape  
And this may make you feel awkward, even uncomfortable  
But let's all raise a glass for good ole Cliff Huxstable  
If it wasn't for him we wouldn't know where to start  
Turning on the lights of the monsters in the dark

Our life role models aren't who they supposed to be  
Then who the fuck do we follow now  
No one fuck 'em all let 'em die  
Our new reality  
No one fuck 'em all let 'em die  
Our new reality  
No one fuck 'em all let 'em die  
Our role models let us down when we need 'em now  
That's why we will never disappoint you and the underground  
Put ya fuckin hands in the sky  
A new reality  
This is how we living our lives  
A new reality

Jared was a pedophile  
Demi just od'ed again  
Harvey like to touch a lot  
Martha fresh up out the pen  
No one wanna wife Rihanna  
They just want the cake an so  
Must be more to superficial  
Pretty singing coochie holes  
Hillary done killed her own  
Donald is a racist type  
Obama was a pushover  
And Bernie been a socialite  
Michael liked the kids too much  
Cosby on that sleepy sex  
Usher passin' herpes round  
Miller passed what's next  
Roseanne got her show pulled  
Paris got the hep c  
Malcolm is a total prick  
Bigger dick than Tommy Lee  
Tyler said he like boys  
XXXTentacion punched a pregnant girl  
Kanye sellin million dollar tees  
Man, fuck the world

Our life role models aren't who they supposed to be
