

## Smoke

Twiztid

Now we gettin' high high smoke good  
Puff puff pass, let it go, go  
Watchin' as we fly fly, hover, coast  
All our problems are below, low  
Now when they see us, keep it pushin'  
And we hittin' that joint real slow, slow  
Here to remind all those who forgot  
Or maybe just don't know, know
