

# Won't Do Nothing

Two Door Cinema Club

I'm goin' through it if I can't go 'round  
Hearin' nothin' but the same old sound  
I wasn't lookin', but I can't go back  
I make my bed again and hit the sack  
Lights out!

I won't do nothing  
I won't do nothing  
(I won't do that)  
I won't do nothing  
I've started something  
I won't do that

Falling behind  
Trying to be kind  
Changing my mind  
It's like we're human  
Head in the sand  
Making a stand  
Make a new plan  
I'll follow

Falling behind  
Trying to be kind  
Changing my mind  
We're living it like we're human  
Head in the sand  
Making a stand  
Make a new plan  
I'll follow

Took a second to collect myself  
Tried to reckon with the cards I'm dealt  
Boredom turned into a contact sport (Sport)  
Play forever and forget what for (What for)

I won't do nothing  
I won't do nothing  
(I won't do that)
