

Hard To Get

Two Feet

Tell me, touch myself, think of you
Left on read alone in my 3-bedroom while
Next door you're passed out on the couch
I know that you want me but don't know how

You love to play hard to get
Get you like it was an accident
You like me more when I just don't give a shit
You're a hard to get, hard to get

It's hard for me to not think of you sometimes
You're always around and you act like you're mine
You dance around for me, make sure that I'm watching
Like you want me to want you, want me to watch you and need you

You love to play hard to get
Get you like it was an accident
You like me more when I just don't give a shit
You're a hard to get, hard to get

Stop thinkin'
And start dreamin'
Lost in feelings
I like feelin'
Wanna feel me
Wanna touch me
Know you secretly love me

You love to play hard to get
Get you like it was an accident
You like me more when I just don't give a shit
You're a hard to get, hard to get

You love to play hard to get
Get you like it was an accident
You like me more when I just don't give a shit
You're a hard to get, hard to get

You like me more when I just don't give a shit
You're a hard to get, hard to get
