

Let Me Go

Two Feet

Oh, no

The danger comes, but I feel numb
(Oh, no) I'm bloodthorne, mousy, but I can't choose
(Oh, no) Act like I'm nice, so, kiss most days
(Oh, no) I'm too scared to ask

Yeah, oh, no (Oh, no)
Please just let me go (Please let me go)
Please just let me go (Please let me go)
Please just let me go (Please let me go)

(Oh, no) All the times that I could've seen
(Oh, no) I'm afraid what would be my faithful
(Oh, no) Run over myself now
(Oh, no) I asked you, don't watch

Hey, oh, no (Oh, no)
Please just let me go (Please let me go)
Please just let me go (Please let me go)
Please just let me go (Please let me go)

(Oh, no)
(Oh, no)

Oh, no, please just let me go
Please just let me go
Please just let me go
Please just let me go
Please just let me go
Please let me go (Please just let me go)
Please let me go (Please just let me go)
Please let me go (Please just let me go)
Please let me go

Oh, no
Oh, no
