

## Limo

Two Feet

Limousine, yeah that's what I mean  
And hold tight  
Hall of fame, yeah that's what I mean

I'm falling, I can't spoil my health  
My health, ay  
I'm falling, I can't feel myself  
Myself yeah

I like everyone, let my mind go numb  
Spoil everything, that's ok don't complain  
If I love you girl, don't just say the word  
Every night in pain, life is so fucked up

Limousine, yeah that's what I mean  
And hold tight  
Hall of fame, yeah that's what I mean  
It's alright

Oooohh, oooohh  
Oooohh, oooohh

Limousine, yeah that's what I mean  
And hold tight  
Hall of fame, yeah that's what I mean  
It's alright
