

Maria

Two Feet

You let your hair down
You're headed out now
A night on the town

He's got a nice face
Your mind starts to race
Go back to his place

And oh oh oh
I don't wanna think it through
Cause there's nothing I can do
Tonight

And oh oh oh
While your getting in his bed
I'm alone without a friend
Tonight

Maria Maria
I tell ya I need ya

Maria Maria
I tell ya I need ya

Was I too ugly?
You're oh so lovely
Id always be yours

And I'm not 6'2
Was that it to you?
My love is all true

And oh oh oh
I don't wanna think it through
'Cause there's nothing I can do
Tonight

And oh oh oh
While your getting in his bed
I'm alone without a friend
Tonight

Maria Maria
I tell ya I need ya

Maria Maria
I tell ya I need ya

Maria Maria
I tell ya I need ya
