

Remember Us?

Two Feet

I can see it in the way you move
How long has it been
And I've got things I've never said to you
Do you remember us? Remember us?

Oh, oh
Oh, oh

Like that time we drove up to your dad's
To a cabin on the lake
And you fell asleep with your head upon my chest
Do you remember us? Remember us?

Oh, oh
Oh, oh
Oh, oh
Oh, oh

With the curse of all these memories
Of the wind in your hair
And the way that you touch me every night (every night)
Do you remember us? Remember us?
Do you remember us? Remember us?

Oh, oh
Oh, oh
Oh, oh
Oh, oh

Let's go

Oh, oh
Oh, oh
Oh, oh
Oh, oh

Oh yeah
Oh, oh (ooh)
Oh, oh (oh yeah)
Oh, oh (ooh)
Oh, oh

Do you remember us? Remember us?
Do you remember us? Remember us?
