

# We Will Be Alright

Two Feet

Oh na na na  
Yea yea  
Ba da da da yea

When I met you  
You weren't enthused  
But that was alright  
I gave you some time  
And then on that first date  
I saw my whole life inside your eyes  
When I'm old and fat  
You won't care about that

And I want you by my side  
And I need you till I die  
And when that day comes

You will be alright  
Because we, will love through time

And I want you by my side  
And I need you till I die  
I promise we'll be alright
