

Emily

Two Friends

I chase the butterflies who give me
Your venom kissed me
Mrs. I bet he's so gullible
Now your piano plays ME - RE - DO
Sang you in one go
Fake smile but it's too wonderful

Of all guitar chords could've picked
Strumming softly to sheet music
Ignore the crash from your cymbals hits
Knew you'd beat me with every kick
No more mysteries inside your eyes
Ancient histories of you and I
Wind up back there every time
Yeah, yeah, yeah, yeah

Oh Emily, you're like an overplayed melody
But I can't wait to hear you again
Oh Emily, you're like my own worst enemy
Still I can't wait to see you again
Oh Emily, you're like an overplayed melody
But I can't wait to hear you again
Oh Emily, you're like my own worst enemy
Still I can't wait to see you again
You're so overplayed, so overplayed

Oh Emily, you're like an overplayed melody
But I can't wait to hear you again
Oh Emily, you're like my own worst enemy
Still I can't wait to see you again

I miss the mazes in your make-up, your tears will take up
Broke up with all the break up calls
And now we never wanna wake up until it shakes up
Spring up to fight I'm down to fall

Of all guitar chords you could've picked
Strumming softly to sheet music
Ignore the crash from your cymbal hits
Knew you'd beat me with every kick
No more mysteries inside your eyes
Ancient histories of you and I
Wind up back there every time
Yeah, yeah, yeah, yeah

Oh Emily, you're like an overplayed melody
But I can't wait to hear you again
Oh Emily, you're like my own worst enemy
Still I can't wait to see you again
Oh Emily, you're like an overplayed melody
But I can't wait to hear you again
Oh Emily, you're like my own worst enemy
Still I can't wait to see you again
You're so overplayed, so overplayed

Oh Emily, you're like an overplayed melody
But I can't wait to hear you again

Oh Emily, you're like my own worst enemy
Still I can't wait to see you again

Oh Emily
