

Timebomb

Two Friends

Nobody knows when she gon' blow

She can get me higher than the nosebleeds
No one ever taught her keep it low-key
Got the kind of eyes you could lost in
I got to admit I do that often

Yeah, I love my girl, but she's kinda crazy
She's kinda crazy, she's kinda crazy
Yeah, I love my girl, but she's kinda crazy
She kinda hates me, but she's my baby

She's a time bomb, unpredictable
She's a time bomb
Nobody knows when she gon' blow
She's a time bomb, unpredictable
Look what I've done
Nobody knows when she gon' blow

Nobody knows when she gon' blow

Gripping on my wrist like a Rolly
She say, "Do you love me or the old me?"
I say, "You can give me nothing but I'm all in"
Even if you put me in a coffin

Yeah, I love my girl, but she's kinda crazy
She's kinda crazy, she's kinda crazy
I love my girl, but she's kinda crazy
She kinda hates me, but she's my baby

She's a time bomb, unpredictable
She's a time bomb
Nobody knows when she gon' blow

Nobody knows when she gon' blow

She's a time bomb, unpredictable
Look what I've done
Nobody knows when she gon' blow

She's a time bomb
And nobody knows when she gon' blow

She's a time bomb, unpredictable
She's a time bomb
Nobody knows when she gon' blow
She's a time bomb, unpredictable
Look what I've done
Nobody knows when she gon' blow

She's a time bomb
