## Two Steps from Hell

No victory comes without a price  
Measured defeat on every side

Vanquish

The battle may be won  
But war still rages on

Vanquish

The glory fades into  
The truth of what was lost

We cannot rewrite history's page  
But we can learn from our mistakes

Vanquish

Prevailing wisdom of the past can't be denied

Vanquish

The blood and tears of war  
The scale of sacrifice
