

# Destination

TWRP

Whatever fortune comes my way  
I need to be the one  
Surrender everything you believe, holding on  
When the future is under attack, that's your freedom  
Never lose control

I need a destination (Destiny)  
Chain reaction (Reality)  
Right combination (Within us is the key)  
This is a revolution (Uprising)  
Change of direction (Everything)  
I need a destination (Starting from within)  
Today, the future begins

Chase the fight, breathe the fire  
Take it to (The other side)  
Chase the fight, breathe the fire  
Take it to (The other side)  
Chase the fight, breathe the fire  
Take it to the other side  
Chase the fight, breathe the fire  
Take it to the other side

I need a destination (Destiny)  
Chain reaction (Reality)  
Right combination (Within us is the key)  
This is a revolution (Uprising)  
Change of direction (Everything)  
I need a destination (Starting from within)  
Today, the future begins

Chase the fight, breathe the fire  
Take it to (The other side)  
Chase the fight, breathe the fire  
Take it to (The other side)  
Chase the fight, breathe the fire  
Take it to the other side  
Chase the fight, breathe the fire  
Take it to the other side  
Take it to the other side

Whatever choice you make, don't create a divide  
'Cause yesterday's gone, but tomorrow is on our side  
And we're gonna break free, and our destiny will belong to you and me  
Freedom to choose will belong to you and me  
You and me  
You and me
