

# Groove Crusaders

TWRP

We are groove crusaders  
Makin' lovers out of haters  
We are groove crusaders  
Front line of the disco war  
We are groove crusaders  
And we're gonna even up the score

The time has come  
The time is now  
It is now time for the  
Groove crusaders

We rule in the name of fun  
We will groove as one  
Against boredom  
Won't stop 'til we are done  
Watch out, 'cause here we come  
We will groove as one  
Against boredom  
Won't stop 'til we are done

We are groove crusaders  
Makin' lovers out of haters  
Groove with me  
Baby, I'll be your hero  
Your body is a sex bomb  
And my body is ground zero

We rule in the name of fun  
We will groove as one  
Against boredom  
Won't stop 'til we are done  
Watch out, 'cause here we come  
We will groove as one  
Against boredom  
Won't stop 'til we are done

Next time on Groove Crusaders...

Four legendary warriors from distant worlds come together to combat the forces of evil personified by the dastardly haters  
Sworn enemies of the fun who are bent on hatering them and ungroovifying the world at large  
Can our heroes conquer these uncool foes?  
Or will boredom and general badness overtake the inner groove of these four funky fighters?  
Find out next time on Groove Crusaders!

We rule in the name of fun  
We will groove as one  
Against boredom  
Won't stop 'til we are done  
Watch out, 'cause here we come  
We will groove as one  
Against boredom  
We will groove as one
