

## Makin' A Move

TWRP

See you across the room, cross the room, cross the room  
I wanna be with you, be with you, be with you  
So what do you say, do you say, do you say?  
Won't you be my baby?

I've been looking at you, looking at you, looking at you  
You're too good to be true, good to be true, good to be true  
Don't you be a fool, be a fool, be a fool  
Won't you make a move?

I know you are a bad girl  
You make the night feel good  
You bring joy to my sad world  
Just let me love you like I should

Give it to me, give it to me, give it to me  
You are what I need, what I need, what I need  
What's it gonna be, gonna be, going to be  
I need you to see

You gotta be mine, gotta be mine, got to be mine  
Girl you are so fine, are so fine, are so fine  
I've made up my mind, made up my mind, made up my mind  
I'm makin' a move

Yeah, you are a bad girl (A real bad girl)  
You make the night feel good  
You bring joy to my sad world  
Just let me love you like I should

Girl, you make me wanna do something outside of my nature  
You see I'm normally so shy, so shy, so shy  
(So shy, don't be shy)  
But you make me want to scream  
(You make me want to scream, yeah yeah yeah yeah yeah, oh no no  
no no)
