

Do you remember, or do you dream?
The king of never wanting anything
You're never running but you're always on time
In your mind

You punch the ticket and the ripples go
Like watercolor, up and around we go
Shining bodies gleaming in the dark

Somebody calls your name out in the rain
Turn around, do it all over again
It's only natural you never seem to learn
Only you

You know you're always gonna be like this
We're overdosing while we reminisce
You want the water but you feel the burn
Baby you'll never learn the way you

Lead me on
You cut me like a polygon
Lead me on
When you groove me, groove me
'Til the break of dawn

Lead me on
You cut me like a polygon
Lead me on
When you groove me, groove me
Groove me

Baby you never learn
That you cut me like a polygon
You never learn that you got me baby yes you do
When you groove me
'Til the break of dawn

Yea
Na na na na, na na na na
Yea, yea, yea
When you lead me on
On
Hoo...

Lead me on
You cut me like a polygon
Lead me on
When you groove me, groove me
'Til the break of dawn

Lead me on
When you cut me like a polygon
Lead me on
When you groove me, groove me
