

# Strike A Pose

TWRP

I have seen them come and go  
That's right  
Haters sayin', no no no no  
(No no no)  
Well I got news for you  
Telling us who to love and who to kiss  
Don't dress like that, don't dance like this  
(No no no)  
Well I got moves for you

I got the moves  
She's got those moves  
He's got the moves too  
We've all got to move

All night  
It's alright  
Under the light  
We're gonna strike a pose tonight  
(Baby, baby it's outta sight)  
And keep on moving 'cause it is your right

Yeah, you can forget the nine to five  
Just let go and then you come alive  
When you groove with me  
Don't you know you have the power to choose  
When you want to shake yourself loose  
So you can move like me

All the ladies feel the groove  
You feel it too  
Your dad feels the groove  
We've all got to move

All night  
It's alright  
Under the light  
We're gonna strike a pose tonight  
(You know it, baby, it's out of sight)  
And keep on moving 'cause it is your right

Ce soir avec moi  
Ensemble  
Tout ira bien  
Main dans la main  
On y va a la discothèque  
Et quand on arrive, on va prendre la pose  
Magnifique!  
Je sais ce que tu veux, je sais  
Allons-y  
Saxophone

We fight  
For our right  
Every night  
We're gonna strike a pose tonight  
(You've got to fight for it, baby!)

And keep on moving 'cause it is your right  
All night  
It's alright  
Under the light  
We're gonna strike a pose tonight  
Strike a pose!
