You and I'll be friends forever

Yeah, you got, I got, we got  
This thing, let's call it chit-chat time  
You know, I know, we know  
You're like another "hello" me  
Same questions, different answers  
We fill each other's blank with a bang  
Ooh, riding a kickboard  
All around the world, feeling the whole world  
Ooh, beyond the hill is concrete jungle  
Let's rush through this time a bit faster, yeah, yeah

Ooh, ooh-ooh, what I wanna do, ooh-ooh?  
Yeah, a noisy alarm calling me from my pocket  
Follow it, speed up so you won't be late

Dive into a new scene over the unfamiliar ones  
Today as well as tomorrow, together  
Anywhere feels good  
When we match our steps, it's so special  
Our own V  
Winning together  
I know we can do it if we're together, it says  
You and I'll be friends forever

My good friends  
Tell me 'bout your feelings, man  
I can't see you feelin' down  
I'll help you come up and about  
No matter what, yeah, yeah, without fear  
Jump in like a big whale together  
Do something  
There's no need to follow  
Better being different, see  
I am low, I am high  
Feels like we're one  
The song by me and you

Ooh, ooh-ooh, what I wanna do, ooh-ooh?  
Yeah, there's no answer, our own way is the solution  
Passing past the view of being alone

Dive into a new scene over the unfamiliar ones  
Today as well as tomorrow, together  
Anywhere feels good  
When we match our steps, it's so special  
Our own V  
Winning together

I know we can do it if we're together, it says  
You and I'll be friends forever

Forever, forever, forever  
We'll be friends forever  
Forever, forever, forever  
We'll be friends forever

No need for awkward words, we're past that  
Doesn't matter, just say, "Hey"  
That's all you need to say

Dive into a new scene over the unfamiliar ones  
We are 24/7 together  
Without a doubt, naturally at my side  
I hope it's you  
Gather around, V  
Winning together  
Episode filled with you, let's go  
You and I'll be friends forever
