Ayy, ayy, ayy, ayy, ayy
Ayy, ayy, ayy, ayy, ayy

Look at my expression in the mirror
Feeling so good, the D-day I've been waiting for
Gotta wave my hand just like I practiced
Check my hairstyle and turn around
My feet take me along the familiar path
A perfect plan
Can't wait to talk to you, hey
Woo- count to three in front of your door, yeah (Three, two, one)

First encounters are always so hard
Cause nothing goes to plan
First encounters are always so hard
Cause nothing goes to plan

Hey
Hello, when I strike up a conversation
All background noise gets canceled
Your voice is my playlist
Yeah, my question is my courage, tell me "What's your name?"
There's three steps between you and me, yeah (Three, two, one)

First encounters are always so hard
Cause nothing goes to plan
First encounters are always so hard
Cause nothing goes to plan (Woo, woo)

This moment, feels so wonderful

We may act a little stiff
Down to our awkward greeting
Our first encounter, you and I
This thing between us, beautiful
Tomorrow, and the day after tomorrow
Remember, forever, this dazzling moment
Wait, wait
Mm, mm, mm

Na-na-na, na-na
Na-na-na, na-na
Na-na, na-na-na-na-na, na-na
It was wonderful to see you like this
See you tomorrow, bye
