

Unplugged Boy

TWS

I know it's complicated
I wanna go on up, let's elevate it
So many times that I've been down, yeah
Let's forget and hit the town, yeah
I wanna share what's on my mind all of the time
I finally dare show every side, coming alive
'Cause with you I feel united, yeah (United)
Now, I know I'm not the only

I'll be there in no time
Yeah, I used to play unplugged, let's amplify the music, ooh
Turn up the volume, up to the sky

Let's play it loud tonight, yeah
I'm with you, when I'm not
We face it all together (Hey, hey)
No matter what you got, yeah
I hype you up, let's do it
We face it all together (Yeah, yeah)

I'll be there in no time (I'll be there in a minute, yeah, eh)
Without saying a word, I'll be right by your side
Go louder 'til the sunrise (Yeah)
Sounds better when unplugged, keep up the music (Yeah, yeah)

Locker number forty-two, there's a sign
I see in writing, "One for All and All for Six"
We're shouting, ooh
I'm feeling brand new
Ooh, yeah
Forever always, everyday, yeah, oh

I'll be there in no time
Yeah, I used to play unplugged, let's amplify the music, ooh
Turn up the volume, up to the sky

Let's play it loud tonight, yeah
I'm with you, when I'm not
We face it all together (Hey, hey)
No matter what you got, yeah
I hype you up, let's do it
We face it all together (Yeah, yeah)

I'll be there in no time (I'll be there in a minute, yeah, eh)
Without saying a word, I'll be right by your side
Go louder 'til the sunrise (Yeah)
Sounds better when unplugged, keep up the music (Yeah, yeah)

A click, a turn, a twist
Unlock it just like this
Forever in this place
'Cause we are united, oh
So take a chance
No matter where we go
You know we'll be there
I'm counting one, two, three, four, five
The memories that we share

Let's play it louder now
This is what life's about
We raise the roof, turn it up to the sky

Let's play it loud tonight, yeah
I'm with you, when I'm not
We face it all together (Hey, hey)
No matter what you got, yeah
I hype you up, let's do it
We face it all together (Yeah, yeah)

I'll be there in no time (I'll be there in a minute, yeah, eh)
Without saying a word, I'll be right by your side
Go louder 'til the sunrise (Yeah)
Sounds better when unplugged, keep up the music (Yeah, yeah)
