Ah-ah-ah-ah

A breakup pass through the other side of the monitor
The movie begins in the scene where you and I ended
The build-up of a farewell walking along with you
Opening sequence that rewinds back the incident (Ah, ah, ah)

This familiar pain

I can see you in my memory
Dance with me, dance with me, dance with me
Take one more chance on me, chance on me, chance on me
I'm bleeding painfully, painfully, painfully
You in the faded film, your gaze that erased me
Stay for me, stay for me, stay for me
I can't get used to it, used to it, used to it
It repeats brutally, I can't stand it
I cry-y-y-y-y-y, ooh, yeah

Why'd you laugh?
Your vision can see me smiling
The calendar that takes a step backwards
It drives me even more crazy (It)
Countless memories fade and dissolve
Someone stop this opening sequence, no
It's running through my head

I only now realize that-
There's a lot of double tracks in the shadows (Double tracks)
I promised you to the end of the world (Yeah)
"That's so cliché"

I can see you in my memory
Dance with me, dance with me, dance with me
Take one more chance on me, (Chance on me) chance on me, chance on me
I'm bleeding painfully, painfully, painfully
You in the faded film, your gaze that erased me
Stay for me, stay for me, stay for me
I can't get used to it, used to it, used to it
It repeats brutally, I can't stand it
I cry-y-y-y-y-y, ooh, yeah

Ooh, oh, ah
Oh, yeah

There's nothing I can do
Blame on me, blame on me, blame on me
You and my tragedy, tragedy, tragedy
It's full of sadness, sadness, sadness
This scene that locked me up
The sequence that's like forever
Stay for me, stay for me, stay for me
I can't get used to it, used to it, used to it
It repeats brutally, I can't stand it
I cry-y-y-y-y-y, ooh, yeah
