Born to be a Thursday's child  
A child has far to go  
The days that will wait for me  
To tune in with your feet, go (Woah-oh-oh, woah)  
Born to be a Thursday's child  
A smile that blooms from my tears  
A moment that will unfold again  
To tune in with your eyes, go

It's a good day to break up  
It can't be Monday today  
The weekend is too far away  
It'll be a messy seven days  
It's Thursday, let's break up on Thursday  
On Fridays, I'll cry as much as I like  
Pull yourself together on a Saturday night  
There's one more Sunday

Beyond the sadness that has left  
It fills your heart with only excitement  
The destiny of being a Thursday's child  
Makes me walk again, feelin' so good

Born to be a Thursday's child  
A child has far to go

The days that will wait for me  
To tune in with your feet, go (Woah-oh-oh, woah)  
Born to be a Thursday's child  
A smile that blooms from my tears  
A moment that will unfold again  
To tune in with your eyes, go (Woah-oh-oh)

I won't cry again  
I won't cry again  
I won't cry again

Standing out here and there  
The trend that is blowing up lately  
Today's hashtag: "break up"  
Then paste "glow up" next to it

Leave the long tears behind  
Walk and face your destiny  
Thursday's romantic day as a child  
You make me laugh again, feelin' so good

Born to be a Thursday's child  
A child has far to go  
The days that will wait for me  
To tune in with your feet, go (Woah-oh-oh, woah)  
Born to be a Thursday's child  
A smile that blooms from my tears  
A moment that will unfold again  
To tune in with your eyes, go (Woah-oh-oh)

I won't cry again

I think it's fine (I think)  
My broken heart (Heart)  
Feel relieved  
We met again on Thursday, it's okay  
It's tougher than the road I've come  
Our life is unpredictable  
It's way farther than the road I've come  
I'm looking forward to the wonderful days

Born to be a Thursday's child  
This is just the beginning  
The days that will wait for me  
To tune in with your feet, go (Woah-oh-oh, woah)  
Born to be a Thursday's child  
Somewhere distance and far away  
A moment that will unfold again  
To tune in with your eyes, go (Woah-oh-oh)

I won't cry again (Oh)  
I won't cry again (Oh, yeah)  
I won't cry again
