

Gold

Ty Brasel

This be that music that sooth your soul

Young man big dreams
Trying to turn ambitions into realities
Set back after set back
I done fell down but I keep rolling
I done came to far to go back now
Knock down still rise like Pacquiao
I traveled through bloody waters
There's plenty snakes in the garden
Adversity make me stronger
I can vouch now, I'm better for it
Grew from the pain, it was all in the plan
God put me up on game
Now I'm feeling air Jordan
Tell 'em man, I feel like I'm Mike in the clutch
Give me rock, Ima swish kid sweet with the touch
Can't miss with the game on the line
Team dependent on me, I can't let them down
They'd rather see me fall
Gon' pray for me now, yeah
Southside kid with a West Coast flow
This be that music that sooth your soul
Fighting in this world, but I'm going for gold
I can't stop, can't quit got to give my all cause

Yeah, I'm going for gold
I'm going ride till it's old
Giving all of my soul
Yeah, I'm going for gold
Yeah, I'm going for gold
Yeah, I'm going for gold

Young and I want it, I'm all in I'm going for gold
Young and I want it, I'm all in I'm hungry I'm focused
I'm going for gold

Full-time on my job
I remember working at the warehouse
12 hours 7 days through making sacrifices
Cause I'm a man on a mission
Got to chase, got to take that, got to make that from the ground
You know it ain't nothing given
Everything change when your purposed right
All praise to the Most High
Man I'm came up from the Southside
Where them boys hardly every make it out
Rarely ever see 21 without a toe tag or a murder trial
We defeated the odds
Cause we still alive with a testimony
I'm still here cause His grace on me
I should've died but He kept showing
Mercy yeah, mercy mercy, mercy all on me
Going for the gold, got to give everything
I'm going to ride till it's over
You know what I mean
One shot, one chance, got to go for the ring cause

Yeah, I'm going for gold
I'm going ride till it's old
Giving all of my soul
I'm going for gold
I'm going for gold
I'm going for gold

Young and I want it, I'm all in I'm going for gold
Young and I want it, I'm all in I'm hungry I'm focused
I'm going for gold
