

Most High 2

Ty Brasel

I gave my life to the most high, yeah

Just started my day had to get fly
I had to get dressed for success
Cause I know what comes next when it's that time
And it that times ten
Lauren said how you gone win
When you ain't right within
So I'm facing my demons today
Father forgive my sins yeah
Transforming my spirit from inside
Had to humble myself I was in pride
Had to close my eyes I was in lust yeah
But I know that I came from the dust
I can't even trust myself but
In the Most High we trust, trust

I'm ready to go I'ma follow the lead yeah
Walking in Eden, it feel just like Adam and Eve
All these snakes in the grass
Had to cut out the weeds
So I could see em slithering
Everytime that I bite the fruit
It always come back venomous
When I hurt You God it feel inconsiderate
Fall on my knees and repent again
Cause I wanna be righteous
How you walked on this earth
I just wanna be like it
When I hurt my girl I feel responsible
Can't run from the pain
When I seen my nieces I knew
If I had a daughter it'll force me to change
Since my grandma died
I know nothing will ever be the same
I know at same time one day
Time will run out on me the same
Let me life be proof of the truth
And I pray that you do the same
And the next time you see me
I'll be right here on the same thang

Just started my day had to get fly
I had to get dressed for success
Cause I know what comes next when it's that time
And it that times ten
Lauren said how you gone win
When you ain't right within
So I'm facing my demons today
Father forgive my sins yeah
Transforming my spirit from inside
Had to humble myself I was in pride
Had to close my eyes I was in lust yeah
But I know that I came from the dust
I can't even trust myself but
In the most high we trust, trust

I gave my life to the most high, yeah
