

Nobody Else

Ty Brasel

If it ain't you I don't want nobody else
If it ain't you I don't want nobody else
If it ain't you I don't want nobody else
If it ain't you, whoa whoa
When I close my eyes then I see you in my dreams
All these girls outside but you the only one I see
You the only one I need
If ain't you I don't want nobody else

I don't ever wanna lie to you, lie to you
And I put my pride aside for you, I'll cry to you
Anywhere you at I'll drive to you, I'll fly to you
And you can have my loyalty
I'll ride for you
And I'll run inside that fye for you
I'll die for you
I just wanna give my time to you
And you can have all of me

If it ain't you I don't want nobody else
If it ain't you I don't want nobody else
If it ain't you I don't want nobody else
If it ain't you, whoa whoa
When I close my eyes then I see you in my dreams
All these girls outside but you the only one I see
You the only one I need
If ain't you I don't want nobody else

Nobody, nobody, nobody
Yeah yeah, nobody, nobody, nobody else

Even when it's dark I know we'll find the light
Even when we fight I know we'll make it right
Even when I'm low I know you keep me high
And you know if you want, you can stay for life
You my favorite
When I look up I know it's amazing
And I'm trying to pace it but the time is fading
This ain't one of them phases
Ain't no way I could fake it
And I think you need to know
You the only one I want

If it ain't you I don't want nobody else
If it ain't you I don't want nobody else
If it ain't you I don't want nobody else
If it ain't you I don't want nobody else

Nobody, nobody, nobody
Yeah yeah, nobody, nobody, nobody else
