

Shine On (Side A End)

Ty Brasel

Tell me to look at the rose
I see the rose petals
Early when I just awoke
I rose up from a dream sweating

Beautiful melodies turn bitter than lemon juice
Memories intimately intimidate
Me and the room, yeah
Playing me like strings with no tune
I wish that I could control things
Guess I'mt's part of my God complex
But when I lost my way
That's when I found me
Right my wrongs it slowly free
The hole in me the more I bleed
The more I heal
Cleansing my sin, washing regrets
Healing my soul, grip on the pen
Keeping me level, if I just write out this letter
Telling my stories, then I find peace in the fire
Helping you through
I know one day when the day comes
I played my role now roll the tape
Just let it play as it play on
Look at the mercy Abba Yahweh
Look at the long nights I was in angst
Beaten and downcast for days
Demons divide and torment my mind
I persevere for the people who can't, yeah
I persevere so my life not in vain, yeah
Okay I persevere 'cause God get the say, yeah
And the last say final
Seal it shut in the vinyl frame
Guess I'll be good this time around
'Cause I got good fate, yeah

Tell me to look at the rose
I see the rose petals
Early when I just awoke
I rose up from a dream sweating
Mhm hmh

Yeah, through all my trials and tribulations
I lift my head to the sky
Through the valley of shadow of darkness
I survived
It ain't no secret to me
I know for a fact that this story divine, yeah
Its written just look at the the journey design
I been though Hell 9 times
Look though look like I got 9 lives
I know heartbreak, chest pain
Fake smile, fighting tears
Ready to die, nightmares
Anxious, lightheaded
Paranoid, cautious, insomniac yeah
That's more what my life like

Say it twice for the emphasize
It never leaves, no it never dies
Sometimes I feel like I'll never win
When will we get a compromise?
When will it be too much for me?
How much pain 'fore one man OD?
God said no more than you can bear
But bear with me I lose sleep
Please bear this weight, my strength weak
I am calling out for a release
Yeah, yeah, yeah
I am calling out for a release
Please God will you set the kid free?
Set the kid free oh, oh
If I get high enough inside the outermost
I could come back with Heaven's hopes
Standing on top of this mountain I see it
Glory and triumph from Zion my Freedom

Glory hallelujah
Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen
Glory hallelujah
Glory hallelujah
