

# The Power

Ty Brasel

Ayy, I got the power  
I got the power  
I got the, I got the  
I got the power with me (Yeah)  
I got the power  
I got the power  
I got the, I got the  
I got the power with me (Yeah)  
This like euphoria, feeling so glorious  
Forever victorious, heart of a champion  
I got the power with me  
Go get the championship rings  
I got the, I got the  
I got the power with me

This ain't 8-Ball  
This just faith, dawg, mhm hmm  
I just played my cards  
I just prayed and starved, mhm hmm  
I had faith, dawg  
Against a great odds, mhm hmm  
I can't take the glory  
This came straight from God, mhm  
I just made a play like OBJ, so really, this one here gone make the top 10  
This is the moment I been waiting for so long, may the memory never be forgotten  
Unlock the game, I'm the locksmith  
We're breaking out, it's Colossus  
I feel like this is my time  
Destiny for me to shine, I promise  
Still on the court after midnight  
Putting up shot and shot  
Working my wrist  
Clocking overtime, this ain't happen overnight  
Hard work and discipline  
Did my time walked the green mile?  
Now, I ball out the gym, way above the rim  
Shoot to space, I'm ascending  
Now, drop the beat: let's make history

I got the power  
I got the power  
I got the, I got the  
I got the power with me (Yeah)  
I got the power  
I got the power  
I got the, I got the  
I got the power with me (Yeah)  
This like euphoria, feeling so glorious  
Forever victorious, heart of a champion  
I got the power with me  
Go get the championship rings  
I got the, I got the  
I got the power with me

This ain't fake, dawg  
This just faith, dawg, mhm hmm

Had no green-backs  
This ain't Draymonds, mhm hmm  
Had no place, dawg  
Had no case, dawg, mhm hmm  
Smile when I take my loss  
'Cause they can't take my God, ooh  
Yeah, yeah, I know that, yeah  
I got the keys, die for the dream  
Like it's Star-spangled Banner on this, no cap  
Bone appetite, or I'm bone and petite  
Man, my song on repeat, better know that  
Feel it when ya skin on Kodak  
Hate you receive, wanna make sure you bleed  
Tryna make you concede, I will taste no defeat  
I will make you believe (I will make you believe)  
For the sake of the King (For the sake of the King)  
Only play that I need (Oh yeah)  
On the other side of the pain, living is a champion  
Tell me where they say I can't, I'll come  
Income won't change my outcome  
Champ don't stop when the road get tough  
Champ only stop when the work get done

I got the power (I got the power)  
I got the power (I got the power)  
I got the, I got the  
I got the power with me (Yeah)  
I got the power (Aw yeah)  
I got the power (Aw yeah)  
I got the, I got the  
I got the power with me (Yeah)  
This like euphoria, feeling so glorious (Feeling so glorious)  
Forever victorious, heart of a champion
