I'ma pop a Molly, pop a Percocet, sippin' Actavis  
My momma mad at me, told me I spend too much money  
I've been buyin' bottles like "so what, you only live once"  
My ex girl right now cause her home girl told her I was up in t  
he club

Fucking with some thangs, fucking with some thangs

We could do thangs, we could do thangs  
We could do thangs, we could do thangs  
Fucking with some thangs, fucking with some thangs  
Fucking with some thangs, fucking with some thangs  
We could do thangs, we could do thangs  
We could do thangs, we could do thangs
