

Get It How I Live

Ty Dolla \$ign

He asleep right now, he off that drink, he ain't wakin up
She texts my phone, aye wut ya doin?
Can I come over? I text back over, she on her way
These hoes ain't shit, but I'ma fuck this bitch

'Cause I gotta get it how I live
She gotta get it how she live

And we get it til we get it right
Get it til we get it right
Get it til we get it right
Get it til we get it right
Gotta get it til we get it right
Get it til we get it right
Get it til we get it right
Get it til we get it right

She fucked around and came up on some fuckin' good dick
She from the valley, but she act just like a hood bitch
I got her bent over, she prowls like a Range Rover
Pop the pussy like soda, hit it slow like I pulled up

'Cause I gotta get it how I live
She gotta get it how she live

I wish she could spend the night
So I could hit it again in the mornin'
I think I'm falling in love with this girl again, again I'm zon
in'
She got a nigga, but I'm obviously bigger
I hope he don't catch her
'Cause he probably would kill her

I gotta get it how I live
She gotta get it how she live

And you know I got it

Get it til we get it right
Get it til we get it right
Get it til we get it right
Get it til we get it right
Get it til we get it right
Get it til we get it right
