

# I WISH

Ty Dolla \$ign

I wish that I could fuck on the first night that we meet  
Send you right back to the streets without feeling like I'm wrong  
I wish that I could creep and you stay in love with me  
Promise that you'll never leave, can we all just get along?  
I wish, I wish  
I wish, I wish  
I wish, woah (Yeah, yeah)  
Ayy, ayy

Wish I ain't lie so good  
Maybe wouldn't lie so much  
Maybe I'd get your trust  
Maybe wouldn't fuck this up  
And it could still be an us (Yeah)  
Wish you ain't check my phone (Phone)  
I'm just sayin' that you got your own  
I'm just sayin' if you mind your business  
You would never have to let me go

If I hurt you  
I made you strong  
We both know the truth  
Is where you belong

I wish that I could fuck on the first night that we meet  
Send you right back to the streets without feeling like I'm wrong  
I wish that I could creep and you stay in love with me  
Promise that you'll never leave, can we all just get along?  
I wish, I wish  
I wish, I wish  
I wish, woah (Yeah, yeah)  
Ayy, ayy

I wish I never made you sad  
Gotta leave it in the past  
Promise I would take it back  
But life don't work like that  
Guess that's just too bad  
Wish I could make you see  
This whole green got the best of me (Best of me)  
And you don't want nothin' less from me, oh (Less from me)

If I hurt you (If I hurt you, woah)  
I made you strong  
We both know the truth (Know we both know the truth)  
Is where you belong (I wish)

I wish that I could fuck on the first night that we meet  
Send you right back to the streets without feeling like I'm wrong  
I wish that I could creep and you stay in love with me  
Promise that you'll never leave, can we all just get along?  
I wish, I wish  
I wish, I wish  
I wish, woah (Yeah, yeah)  
Ayy, ayy
