Nigga in too deep

I'm in too deep to my knee in this shit  
I'm in too deep to my knee in this shit  
I'm in too deep, said I'm deep in these streets  
I'm in too deep, oh, woah (D.R.U.G.S)  
I'm in too deep to my knee in this shit  
I'm in too deep to my knee in this shit  
I'm in too deep, said I'm deep in these streets  
I'm in too deep, oh, woah

Sitting here talking to my brother  
About this that and the other  
Like is it right that we gang bang?  
Is there a right way to do the wrong thing? (No)  
Standing on the outside looking in  
The more I push away, the more I'm pulled in  
So called homies don't give a fuck about me  
But it wouldn't be the same without me  
I use to get good grades  
Now I'm in the hood taking fades  
I was born and then I was sworn in it  
Now I'm in over my head, I can't see the war ending  
Is it more, because it's all senseless?  
Praying to the Lord, sinning, but is he listening? (Yeah, he listening)  
Every night, I'm seeing murder in my sleep  
Snuck an ass man, I'm in too deep (Sheesh)

I'm in too deep to my knee in this shit  
I'm in too deep to my knee in this shit  
I'm in too deep, I said I'm way too deep  
I'm in too deep, oh, woah

I ain't g'on lie, think I was born in this lifestyle  
My mom and pops too young and I was living wild  
Taught back then to get a Smith  
She didn't want me to bang, but it is what it is  
At a young age, still never slippin'  
Could've took the right route, instead, I started Crippin'  
Me and Smooth Marley Blue on that block  
Selling rocks on that block  
Fuck the cops when it's hot  
We got Glocks when it's hot  
Down the street was my little nigga, Infant  
Swear to god we miss him, all my nigga had was vision  
My big bro TC been down since like '04  
If it's so real in these streets, I don't know 'em no more (I don't know 'em  
!)  
Gotta keep a strap in these streets  
Staying loyal in these streets when I'm in too deep  
At nights, I can't sleep  
Swear to God, I can't think  
Ain't never gonna stop screaming, "Free TC!"

I'm in too deep to my knee in this shit  
I'm in too deep to my knee in this shit  
I'm in too deep, said I'm deep in these streets

I'm in too deep, oh, woah  
I'm in too deep to my knee in this shit  
I'm in too deep, I said I'm deep in these streets  
I'm in too deep, I said I'm deep in these streets  
I'm in too deep, oh  
In too deep, oh, woah, woah
