Yo, so, uh  
When's the last time you talked to Jessica and Weldon? What's going on with them?  
What we doin'?

Weldon Angelos, that's my idol, dawg  
He's fighting for me for the sake of Allah  
He brought Jessica Jackson on board and she's a real activist makin' changes and laws and everything with Kim Kardashian  
And they're takin' my case straight to Governor Gavin Newsom  
He's over-progressive, but recognizes the system is corrupt  
He can commute my sentence and or argue just like that  
Or the prison can release me  
It's crazy that it's taken this long (Yeah)  
But we on our way, bro  
Inshallah
