

It's Still Free TC

Ty Dolla \$ign

Yo, so, uh
When's the last time you talked to Jessica and Weldon? What's going on with them?
What we doin'?

Weldon Angelos, that's my idol, dawg
He's fighting for me for the sake of Allah
He brought Jessica Jackson on board and she's a real activist makin' changes and laws and everything with Kim Kardashian
And they're takin' my case straight to Governor Gavin Newsom
He's over-progressive, but recognizes the system is corrupt
He can commute my sentence and or argue just like that
Or the prison can release me
It's crazy that it's taken this long (Yeah)
But we on our way, bro
Inshallah
