

Juice

Ty Dolla \$ign

No, no, no, no, no, no
Yeah, yeah, yeah
No, no, no, no, yeah

She only call me when she want the juice
Only call me when I bust a move
Young nigga broke all the rules
All these hoes actin' brand new
Started off with a dime
Now everywhere I go, I shine
All these bitches wanna ride
But really, I ain't got the time
She only call me when she want the juice
Only call me when she want the juice
No, no, no, no, no, no, yeah, yeah, yeah
Only call me when she want the juice
That's what she do, that's what she do
No, no, no, no, no, no

I was solo, had no one to call on
Then you hit my phone up
How you get my number?
Callin' me, see, I got my cake up
Young niggas came up
Bitch how you get my number?

They doubted me, now she want my energy
We ain't got no chemistry but I still might fuck though
Yeah, yeah, yeah, yeah
I know your type, girl, I know your type
You the type that wanna shine
You the type that want that life
Bitch, get up up off my line

She only callin' when she want the juice
Only call me when I bust a move
Young nigga broke all the rules
All these hoes actin' brand new
Started off with a dime
Now everywhere I go, I shine
All these bitches wanna ride
But really, I ain't got the time
She only call me when she want the juice
Only call me when she want the juice
No, no, no, no, no, no, yeah, yeah, yeah
Only call me when she want the juice
That's what she do, that's what she do
No, no, no, no, no, no

She texts me, sittin' in her living room
She seen all my interviews
She loves givin' headlines like I'm breaking news
So often, I can see she love me
I'm just not that into you
Girl, come let me fuck, I fix your attitude

They doubted me, now she want my energy

We ain't got no chemistry but I still might fuck though
Yeah, yeah, yeah, yeah
I know your type, girl, I know your type
You the type that wanna shine
You the type that want that life
Girl, get up up off my line

She only call me when she want the juice
She only call me when she want
Only callin' when she want the juice
She only call me when she want
Only call me when I bust a move
Young nigga broke all the rules
All these hoes actin' brand new

No, no, no, no, no, no
No, no, no, no, no, no, yeah, yeah, yeah
Calling me, see, I got my cake up
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Girl, get up off my line
