

# Long Time

Ty Dolla \$ign

I've been on my motherfuckin' grind  
For a very, very, long-long time

Yeah, so I deserve to ball like Kobe  
For a very, very, long-long time

Yeah, got a bad oriental girl  
She said she love me, love me, long-long time

Yeah, and I don't fuck with no new niggas  
We've been homies for a long-long time

Yeah, I've been fuckin' on your bitch for two hours  
That's a long-long time

Uh, I made her come in two minutes  
That's a very, very, short-short time

For our first time  
My bitch keep callin', told her it's the wrong time

On the west side we say blood not slime  
All my niggas with me, Taylor Gang or die  
I just came to bag a bad little bitch  
I'm with some bloods, pirus, and some crips  
Took your bitch and fucked her in a foreign whip

She sucked my dick for a new outfit (Weezy)

I've been on my motherfuckin' grind  
For a very, very, long-long time

Yeah, so I deserve to ball like Kobe  
For a very, very, long-long time

Yeah, got a bad oriental girl  
She said she love me, love me, long-long time

Yeah, and I don't fuck with no new niggas  
We've been homies for a long-long time

You cuffin' that ho for a long time  
No, no, can't be wifin' that bitch  
I took her, only hit her one time

(Smash, smash, smash, smash)  
Free my niggas doin' long time  
Free my niggas doin' long time

I keep the plug on my phone line (brrrrr)

I put the dope in her panties  
Pipe it up, that's a new habit  
Dabbin' is a way of fashion

Pull up on 'em like Aladin  
I got a strap in my jacket

She fuckin' me, she gon' keep braggin'  
Million dollars in the mansion  
I wake up, she cookin' me breakfast

I get the pack, adios

Shoutout to my migos in the barrio  
Eni-meney-miney-mo  
Which one of you niggas wanna play a ghost  
I pull out the Lamb, pull up in the Ghost

30k for the Migos to host  
Ice on my neck and I ice out my foes  
Long time goin' down that road

I've been on my motherfuckin' grind

For a very, very, long-long time  
Yeah, so I deserve to ball like Kobe

For a very, very, long-long time

Yeah, got a bad oriental girl  
She said she love me, love me, long-long time

Yeah, and I don't fuck with no new niggas  
We've been homies for a long-long time
