I guess she like it when I, ugh... tell her the truth  
I can't be your man, but I can be your boo  
I guess she like me 'cause I... don't lead her on  
Right after I hit, I tell her that I gota go  
I guess she like it when I... I (Ooh, ooh, ooh, ooh, ooh)  
I guess she like it when I... I  
Guess she like it when I... ooh (Oh)  
Guess she like it when I... yeah (Ooh)

I guess she like me 'cause I... 'cause I look good  
She don't fuck with squares, only niggas from the hid-nood  
She like me 'cause I... 'cause I'm rich  
She like me even more 'cause she know I got a bitch  
Said she like me 'cause I... dick her down proper  
Make her call me "Papa," she screaming like the opera  
Whoa, Kemosabe, big balling is my hobby  
Got bitches in the lobby, that's my type of party  
Fast like Ferrari, I only hit it doggy  
She got a nice body like she do Pilates  
All my bitches love me, all my bitches love me  
She got another nigga, but she don't put him before me

Bitches ain't shit, hoes ain't shit  
Niggas ain't shit, a bitch gon' be a bitch  
He use the word "love" to get pussy  
I just hit it once, and keep it pushing

I guess she like it when I, ugh... tell her the truth  
I can't be your man, but I can be your boo  
I guess she like me 'cause I... don't lead her on  
Right after I hit, I tell her that I gota go  
I guess she like it when I... I  
I guess she like it when I... I  
Guess she like it when I... ooh  
Guess she like it when I... yeah

She like that I keep her on degrees  
Her baby daddy can't put it down like me  
Got her sprung on the D  
Hell, yeah, she repping Team AnNie, see  
Only weak bitches fuck with weak niggas  
See, my bag filled up, my cup got Patrón in it, ahh  
I like them AnNies with the busy bodies  
Got a whole lot of ass and can get naughty  
Back it up, look back at it, throw it at me  
Girl, get ratchet, yeah  
You only live once, girl, get 'bout it

I need 40 spins, you gon' make it... cla-ap

Bitches ain't shit, hoes ain't shit
