

Show Me

Ty Dolla \$ign

Don't you want to show me
What it's like to be loved?
Don't you want to show me
What it's like to be loved?

Don't want to take your
Words for granted
But I need more to hold on to
My nerves are numb
From all the damage
Can you change my mind
From what I want to do?

Want to take you serious
Give me a reason
It's wintertime, don't mess around
And miss your season
Start you off at zero
Got to work your way up
I want to believe in you

Don't you want to show me
What it's like to be loved?
Don't you want to show me
What it's like to be loved?
My heart's been broke before
Shattered on the floor, ooh
Would you put it back together?
Don't you want to show me
What it's like to be loved?

To be loved, woah-oh, oh-oh, oh-oh
To be loved, woah-oh, oh-oh, oh-oh (Dolla \$ign)

Don't you wanna hold me
Late nights in the bed
When you feel lonely? ('Ly)
Don't you wanna talk to me?
You ain't even mine yet
But you know you 'ought to be (Be)
Cash-out, lottery, they say
Money everything, but it's not to me (Oh)
At first, she was dodgin' me
Heard about my past
And all the debauchery (Ooh, yeah)
Now we go on trips like an Odyssey (Yeah)
In my city, I boost the economy (Yeah)
Shawty get on her knees
And she honor me (True)
I eat it and she taste like strawberry (Ooh)
She cute and she smart
She got quality (Quality)
I'm young and I'm rich
I'm a prodigy (Prodigy)
Whatever you do, just don't lie to me
I got a real one, she standin'
On side of me (Ooh, yeah)

Want to take you serious
Give me a reason (Ooh, yeah, ooh, yeah)
It's wintertime, don't mess around
And miss your season (Ooh)
Start you off at zero
Got to {work your way up
I want to believe in you}

Don't you want to show me
What it's like to be loved?
Don't you want to show me
What it's like to be loved?
My heart's been broke before
Shattered on the floor, ooh
Would you put it back together?
Don't you want to show me
What it's like to be loved?

To be loved, (Just show me how)
Woah-oh, oh-oh, oh-oh (Baby, how)
To be loved (Put me up on it)
Woah-oh, oh-oh, oh-oh
