Stealing

Ty Dolla $ign

Yeah, yeah, yeah, yeah
Yeah, yeah, mmm

Momma please don't judge me cause I'm a criminal
Mom I know you love me, even though I'm a criminal

No, it's not subliminal
No, and it's not terminal
Oh, oh, oh, oh it's emotional
Stealing all these bitches hearts

Yeah, I'm stealing all these bitches hearts
Oh I'm stealing all these bitches hearts
Yeah, I'm stealing all these bitches hearts
Oh I'm stealing

Daddy please believe me, cause you know I be a criminal
Daddy please forgive me, but you know I am a criminal

And oh no, it's not subliminal
Oh, and it's not terminal
Oh, oh, oh, oh it's emotional
Stealing all these bitches hearts

Yeah, I-I-I've been stealing all these bitches hearts
Oh I've been stealing all these bitches hearts
I've been stealing all these bitches hearts
Oh, I've been stealing

Oh, if breaking hearts was a crime
I'd do double time
I'd be here just all solo
They'd put me under the cell
Never wish me well
I'd be here just all solo

Stealing all these bitches hearts
Just for, stealing all these bitches hearts
I've been stealing all these bitches hearts
Oh, I've been stealing
