Ty Dolla \$ign

It's the same speech every time  
No new niggas, loyalty  
Yeah we might be famous but we still violent motherfucka

I just took a BR and now I'm floating  
If it ain't that OG then I ain't smoking'  
I woke up, I put a couple plays in motion  
First I roll me up and joint and count my money man  
Momma keep telling me that I smoke too much  
My girl tell me, "Nigga blow that shit out the window"  
I was rolling down the street smoking endo  
Sipping on that Gin and juice like it's '92  
Go against my crew, I don't recommend  
Bitch, who the fuck are you? We don't let you in  
Girls pause when the Taylor's in the function  
Everybody from the game got jumped in  
Yeah, niggas meet me at the park  
Niggas gone run their flags  
If a nigga get dropped, then you better get up  
Niggas gone hit the joint, niggas gone sip the drank  
Catch a enemy slipping, nigga gone pop the dime

Violent, all my niggas violent  
Pop a nigga broad daylight with the silence  
Smoking weed on a PJ with the pilot  
I just got some bomb ass head from my side bitch, whoa  
Violent, all my niggas violent  
Pop a nigga broad daylight with the silence  
Smoking weed on a PJ with the pilot  
I just got some bomb ass head from my side bitch, whoa

Pop outs on me, hop outs on me  
Nigga we don't do no drive-bys  
If he owe me money, he ain't got my money  
Tell his momma kiss him bye-bye  
All my fans call me Dolla \$ign  
But my momma still call me Ty-Ty  
First class on the flight to Hawaii  
They got us all sipping the Mai Tai's  
20's and 50's we roll together  
I don't be kissing my bitches in public  
At my level, bitch, we don't go together  
I just fucked a bitch at one of the W suites  
And she said I'm the coldest ever  
I just popped a couple Mollys, Xans  
Now they copy my swag, it's dope forever  
I might be single forever  
I'ma be me forever  
I'ma be rich forever  
M-O-B forever  
Fucked her the first time I met her  
Sucked on this dick cause I let her  
I got a brand new Glock  
And a Baretta

Violent, all my niggas violent  
Pop a nigga broad daylight with the silence

Smoking weed on a PJ with the pilot  
I just got some bomb ass head from my side bitch, whoa  
Violent, all my niggas violent  
Pop a nigga broad daylight with the silence  
Smoking weed on a PJ with the pilot  
I just got some bomb ass head from my side bitch
