You said that sloppy ass nigga ain't hit it right  
I came through, I fucked all on you, had you feelin' right  
I brought the weed, you had the drank  
We got dumb lit  
We turn the music loud so they can't hear  
Cause you be loud as a bitch when I'm deep in that shit  
If my bitch find out I be pleadin' the fifth  
Why your home girls say we pull off in the four  
Them bitches ain't got any money  
Them bitches can't tell you nothing

I got more money than your nigga do girl  
You ain't worry bout it  
We be still fuckin' around and I got a bitch too  
We ain't worry bout it  
Ohh ohh ohh, we ain't worry bout it  
Cause we gon' fuck when I see ya (girl we gon' fuck)  
All we do is fuck when I see ya (we gon' fuck)  
Girl we gon' fuck when I see ya (girl we gon' fuck)  
All we do is fuck when I see ya

We be goin' all night girl  
Droppin' them drawers, puttin' holes in the walls  
You a freak and I like that girl  
Come ride with a boss, pull a check at the mall  
So you can leave your man at home  
I'm just tryna play baby, I ain't tryna waste no time  
We ain't got all day baby, hit it then I press rewind  
Won't you come my way baby  
Got way more money than y'all  
Nigga ain't got no bank, baby  
Sneak up from behind 'em, dancing while we singing  
You ain't never met a nigga like me  
Girl you know my name baby

I got more money than your nigga do girl  
You ain't worry bout it  
We be still fuckin' around and I got a bitch too  
We ain't worry bout it  
Ohh ohh ohh, we ain't worry bout it  
Cause we gon' fuck when I see ya (girl we gon' fuck)

All we do is fuck when I see ya (we gone fuck)  
Girl we gon' fuck when I see ya (girl we gon' fuck)  
All we do is fuck when I see ya
