Ty Dolla \$ign

Love never felt so good (So good)
But I always knew it could (It could)
Now I don't wanna let it go (No, no, no)
But I know this is life (This is life)
But most time , wrong feels right (Right)

It's just your turn (Yeah, yeah)

For a reason, or season, who knows how long for (Oh woah, oh woah)

So do your best (Uh-huh, uh-huh)
To make me happy and keep it goin' on (Oh-oh)
It's your turn

It's your turn, it's your turn, it's your turn, baby
It's just your turn, it's your turn, it's your turn, baby
Nobody is truly yours, it's just your turn, baby
Nobody is truly yours, it's just your turn, baby
It's your turn, it's your turn, it's your turn, baby
It's just your turn, it's your turn, it's your turn, baby
Nobody is truly yours, it's just your turn, baby
It's just your turn, yeah, yeah-yeah

I'm holdin' on for this life (This life)
For what I think feels right (Feels right)
It doesn't make much sense to me, ooh yeah

'Cause I know I fell in love at sixteen ('Teen)
In love at twenty (Love)
Fell in love at twenty-two (Twenty-two)
Now what the hell does it all mean? I know (I know)
It's your turn (Yeah, yeah)
It's your turn (Woah, oh, ooh woah)
For a reason or season, who knows how long for (Yeah-yeah, yeah-yeah)
It's your turn (Yeah, yeah)
Do your best (Do your best)
To make me happy and keep it goin' on (Goin' on)
It's your turn

It's your turn, it's your turn, it's your turn, baby (It's your turn)
It's just your turn, it's your turn, it's your turn, baby (It's your turn)
Nobody is truly yours, it's just your turn, baby (No one)
Nobody is truly yours, it's just your turn, baby (Truly yours, oh, ooh)
It's your turn, it's your turn, it's your turn, baby (It's your turn)

It's your turn, it's your turn, it's your turn, baby
It's just your turn, it's your turn, it's your turn, baby
Nobody is truly yours, it's just your turn, baby
Nobody's truly yours

Just like the sky you blue but you gon' find somebody new
I was there to teach you somethin' that you never knew
I will reach up to the sky pull down a cloud for you
Wanna see you happy even if I'm not with you
Even if I'm not with you and now it's just your turn
Even though I'm not with you and now it's just your turn

Maybe it's your turn, you shouldn't feel a way
Lately I've been grateful, countin' down the days
Know a nigga feel you, that's still stay
Right towards lovers, honey I don't know (Know)
No, I don't
What will be, what we'll see

King of love, king of all things, it's an odd thing
When it feels good, it's a God thing
Keep it goin' on, and on and on (Ooh)
And on and on, until it's almost gone
Maybe it's your turn (Yeah)
I think it's just your turn (Yeah, oh)
