A Swing Like That

Ty England

Mercy sakes look at her walk She really makes them blue jeans talk I can't take my eyes off of her

She's sure put together right
I wish I may, I wish I might
Get her to play in my back yard tonight, yes sir

If I had a swing like that Anytime day or night You know where I'd be at

Sashaying swaying back and forth Man I'd never leave the porch If I had a swing like that

Goodness gracious land of Goshen Every move's a major motion Rolls me over like an ocean wave

Man there oughta be a law
Beats anything I ever saw
I sure love to watch her walk away

If I had a swing like that Anytime day or night You know where I'd be at

Sashaying swaying back and forth Man I'd never leave the porch If I had a swing like that
