

## So Small

Ty Herndon

What you got if you ain't got love  
The kind that you just want to give away  
Go ahead and open up  
Go ahead and let the light shine through  
I know it's hard on a rainy day  
You wanna shut the world out and just be left alone  
But don't run out on your faith

'Cause sometimes that mountain you've been climbing  
Is just a grain of sand  
And what you've been out there searching for forever  
Is in your hands, is in your hands  
And when you figure out love is all that matters after all  
It sure makes everything else  
Seem so small

It's so easy to get lost inside  
A problem that seems so big at the time  
It's like a river that's so wide it swallows you whole  
While you're sitting around worrying about what you can't change  
And worrying about all the wrong things  
Time's flying by, moving so fast  
You better make it count 'cause you can't get it back

Sometimes that mountain you've been climbing  
Is just a grain of sand  
And what you've been out there searching for forever  
Is in your hands  
Oh, and when you figure out love is all that matters after all  
It sure makes everything else  
Seem so small...

Sometimes that mountain you've been climbing  
Is just a grain of sand  
And what you've been out there searching for forever  
Is in your hands  
Oh, and then you figure out love is all that matters after all  
It sure makes everything else  
Oh, it sure makes everything else  
Seem so small
