

# Love Is Two Faced

Ty Myers

Every once in a while  
You'll find a girl  
Every once in a while  
That girl, she, she changes your whole world  
When your smile goes down and turns into a frown  
Gotta realize that life ain't just a dream  
And you gotta be keen, 'cause the world she's mean  
You gotta realize it damn sure ain't me

'Cause love, love is two-faced  
She shows her true colors now and then  
When it's all going wrong, you turn to a song  
'Cause a melody is your best friend  
But it don't do you wrong, it don't make you hold on  
To something that's long, long, long gone  
In a world full of hate, you need something to embrace  
'Cause love, love is two-faced

Every once in a while  
You get to thinking how  
How could I give so much and not be enough?  
How could a love like that ever go south?  
When the world gets tough  
You gotta find what's a must  
And it damn sure, I said, it damn sure ain't love

'Cause love, love is two-faced  
She shows her true colors now and then  
When it's all going wrong, you turn to a song  
'Cause a melody is your best friend  
But it don't do you wrong, it don't make you hold on  
To something that's long, long, long gone  
In a world full of hate, you need something to embrace  
'Cause love, love is two-faced

In a world full of hate, you need something to embrace  
'Cause love, love is two-faced
