Blue

Ty Segall

```
Do you want to change
Again?
And hold yourself
In your arms again?

Go to see
Your baby
You can't erase, you can't erase
You can't erase the pain
Again

It lives inside you
Your color blue
Blue

He wants to change
His language
And to erase the meaning
Of what he is

Go to see
The baby
You can't erase, you can't erase
You can't erase the pain
Again

It lives inside you
Your color blue
Blue
