

## Body Behavior

Ty Segall

Big glass silk from to a boy  
I have big drink to love, find future  
Deep in your love, come on, take me  
Come see inside  
Inside, deep inside me

Body behavior  
Did you see yourself turning?  
Can't see past your blue skies  
Can't see past your dark skies  
Your hands moving

Fully graphed, automatic spelling, pressure  
Turning alarm without throwing at all  
Eager pressure, earth and toil

Body behavior  
Did you see yourself turning?  
Can't see past your blue skies  
Can't see past your dark skies  
Your hands moving  
Your hands moving, your hands moving
